### **For immediate release – Please announce the following not-for-profit program:**

**Shelby, NC** – Debi Metcalfe, founder of **Stolen Horse International, Inc.** (SHI), announces SHI's registration with **Mission Fish** – a safe and easy way for nonprofits to benefit from **eBay**. Through this program, registered users can donate to a wonderful organization.

Beginning December 8, 2005, SHI, aka **Netposse**, supporters, members and friends can help fund horse theft education, prevention and recovery through current and future eBay listings!

To learn how to donate auction proceeds to SHI or set up an account with either Mission Fish or eBay, visit the following link: [www.netposse.com/MissionFish.htm](http://www.netposse.com/MissionFish.htm)

Please share with SHI and help us continue to help bring horses home to the families that love and miss them. You can do this in many ways, but two options through Mission Fish are listed below. In return for your support, SHI will place a link its website, FREE of charge, to your eBay listing or storefront.

1. Pick an item each week or month and donate 100% of the proceeds to SHI through eBay
2. Designate a percentage of each sale on eBay to contribute to SHI

If you have any lingering doubts about the worthiness of this cause, ask yourself what you would do if your beloved horse was stolen ... where would you turn? Who would help? The answer is simple: [www.netposse.com](http://www.netposse.com).

We thank you in advance for your help in spreading the word about SHI and for any help you can give!
