Missing Horse Near Milton, GA, 300004

NetPosse ID # : 2680

Pet Name : Trouble

Gender : Mare

Species : Horse

Breed : Irish Sport Horse

Description : These 2 mares were taken from me under false pretenses. They were going to a new home with the agreement that it would be a forever retirement home where they would be used as a pasture mates only. I have found out that she breached our contract and they did not go to the retirement pasture she had promised. Instead, they are either shipped off to auction or a kill pen. If you have seen these horse or have any information regarding their whereabouts, please contact us immediately!
