SEARCHING FOR HORSE

Searching for Horse Near North Salem, NY, 10560

NetPosse ID # : 2894
Name : Barbie
Gender : Mare
Species : Horse
Breed : Quarter Horse CROSS
Description : Looking for this mare. Was sold from North Salem NY around 2012. Very sweet, gentle and passive, broke enough for trail rides and not much else. Possibly not fully sound. Very elongated pasterns in the back as a key marker. One blue eye, one brown. No idea how old she would be and I doubt she has a solid paper trail. Was probably sold very cheap as a companion horse. The name she had at the time was Barbie. Just want to know she's in good hands.
