NetPosse ID # : 3481

Name : Sierra Lee

Gender : Mare | **Breed** : Mustang |

Description : Her name is Sierra Lee. Last known location is Grants Pass, Oregon. Palomino Mustang Mare. In her mid or late 20's. Approx. 15 hands. Beautiful long mane and tail. A star and stripe blaze. She has a BLM freeze brand on the left side of her neck. She had a white stocking on her back left leg, and a white half pastern on her right leg. I rode this mare years ago and grew up with this mare. I completely retrained her for many years. She did not belong to me, and she was eventually given to someone who then gave/leased her to someone else and that person moved taking her with them. I just want to make sure she's okay, and see if she is in need of a new home. Please contact me with any information. She was a huge part of my life and she means a lot to me and I'd love to reunite with her. Please repost and share to help me find her.
