Searching for Horse Near Lovettsville, VA, 20180

NetPosse ID # : 3630

Name : Zen

Gender : Mare | Breed : Thoroughbred |

Description : Zen (name was probably changed) was sold without my permission on May 13, 2019 from Lovettsville, VA. She was born April 1, 2007. Her tattoo is very hard to read. She has one white sock on her right hind with a black dot on the inside. Her sock may be dyed black to avoid identification. She has a whorl on her forehead and may or may not have a scar (pictured). She has a previous broken leg and is NOT cleared to jump, nor will she stay sound doing so. She was sold with papers by her owner BEFORE ME, WHO WAS NO LONGER HER OWNER AT THE TIME THE HORSE DISAPPEARED. I have board, vet, and dentist records in my name to prove this. I have proof the sale was unauthorized by me as well. I will do ANYTHING to get her back, and I have a horse of similar ability to offer in trade for her.
