

MISSING HORSE

Missing Horse Near Randlett, OK, 73562

NetPosse ID # : 4851 | **Name** : Gypsy | **Gender** : Mare | **Breed** : Draft Quarter Horse |

Description : Gypsy is a 14 yr old, 17 hand Draft/QH mare, salt and pepper mane and tail to the ground (but it could be cut) black feathers on her feet, and a naval hernia that can be felt when hair is long, seen when it is not. Truck tracks and hoof prints that disappeared were beside Gypsy's pasture, the pasture where 5 other horses were found deceased, believed to have been poisoned. We think she was stolen. Can you help me bring her home? She is my heart horse. Reported to Cotton Cty Sheriff's Department.

Area Last Seen : Randlett, OK, 73562 | **Date Lost** : 12/8/2021 1:17:00 PM
