NetPosse ID # : 5256 | **Name** : Cocoa | **Breed** : Pony |

Description : Cocoa escaped from her fenced in area with two miniature donkeys and made it out to State Route 9. We found them there at 6:00 am but they ran into the woods. We later found and recovered the two donkeys that afternoon but Cocoa was not with them. We have been searching the woods everyday since but have seen no sign of her. We have contacted the police, horse rescues, veterinarians, Craigslist, NHSPCA, Antrims facebook, the postal carrier, newspaper and the neighbors in the area.
