## Found Horse Near Gilroy, Ca, 95020

**NetPosse ID #** : 5701 | **Gender** : Gelding | **Breed** : Paint |

**Description** : Do you know this horse? Gelding, 16 hands, Blue eyes, Very easygoing. He was dropped off by a 3rd party for temp boarding until long haul transport could be arranged. Alleged owner has not paid for board and I learned that owner also left previous boarding facilities without paying. He has been here a month and I am wondering if he is actually this person's horse to begin with. Just hoping he belongs to someone loving. Page Link <https://netposse.com/?5701>
