## MISSING HORSE

## Missing Horse Near Caldwell, TX, 77836

NetPosse ID #: 5842 | Name: Baylee | Gender: Mare | Breed: Miniature |

**Description**: 19year old (5/6/2004) mare appx. 32 inches at the withers. Dark bay with an irregular shaped splotch on back. This mare has laminitis (suspect from eating acorns) and lays down a lot. She has breathing problems in summer heat or under stress. She was on Bute when she left the ranch. She needs monitoring for pain management and farrier service. She was on Bute at time of removal from ranch. Not the friendliest in the herd of 9 that are missing but responds to feed.

Area Last Seen: Caldwell, TX, 77836 | Date Lost: 12/20/2022
