Missing Horse Near Caldwell, TX, 77836

NetPosse ID # : 5843 | Name : Bonnie | Gender : Mare | Breed : Miniature |

Description : 15-year-old (5/28/2008) mare Dark Bay roan appaloosa - appx. 31-32 inches at the withers. This mare has laminitis & may be in severe pain. She was being treated with Bute and stalled most of the time on sand/shavings. Requires intensive monitoring as she cannot get up at times. She has pulmonary problems brought on by summer heat or stress. She is not as heavy as the picture. Palomino behind her is also missing.

Area Last Seen : Caldwell, TX, 77836 | **Date Lost :** 12/20/2022
