Searching for Horse Near Monroe, NC, 28112

NetPosse ID # : 7449 | **Name :** Eli | **Breed :** Quarter Horse CROSS | **Age:** 19 |

Description : We are searching for Eli after we made a bad deal with a man we later discovered was a horse trader. He, of course, gave us a good story, which we believed. We had a first right to buy back agreement if he decided to sell Eli. He said he was taking Eli to a farm in Waxhaw, NC, to a girl in Asheboro, NC, and then to a missionary group in Asheboro, but he would give no details. We made a mistake, but Eli should not pay for it, and we want to make sure he is safe.
