Missing Horse Near Highland, NY, 00000

NetPosse ID # : 8579 | **Name** : Pepper | **Breed** : POA |

Description : I kept Pepper at a local farm near my home, and worked there several times a week in trade for part of his monthly board. I found out we were expecting a baby, I was forced to give Pepper up due to financial concerns. The owner of a farm gave him to a family in the Ulster County area, but didn't keep very good records, so I have been unable to find him, thus far.,
