NetPosse ID #: 8763 | **Name:** Iron's Rebel Pride | **Gender:** Gelding | **Breed:** Tennessee Walking Horse |

Description: In June of 2024 I gave Rebel to a friend as a companion horse. Rebel was to specifically come back to me if he didnt work out or she no longer wanted him. I checked on him regularly, and visited him in August of 2024. At the end of September she sold him to a horse dealer in Syria VA. They told me he was taken to an auction in Tennessee and was sold to a woman living in TN. I would like to know he is safe, cared for, or offer to buy him.
