(Ask submitter for names) of (Hampton, TN) "rescued two horses from me in Knoxville...found out in mid-January they had sold Penny (brown and white one) to (ask submitter for name). Rainmaker (black and white one) was sold to "an old man" for his grandkids. I was beyond hysterical. I was also told that Penny was taken to Kingsport auction on Jan 3, 2018. Rain is a very sweet and gentle girl. Penny was a bit high spirited and I made this clear to them before they got them and they told me specifically that the two girls would stay together at their place in a "forever" home...Such lies!!! I feel so horrible about putting those sweet girls in the hands of these individuals. In April I took them to civil court for Fraudulent Inducement in Knox County and won. They have not paid. Please, if you have any information regarding Penny or Rainmaker, contact us as soon as possible.
