**Description :** This is my daughter's horse Pokey he is missing and assumed stolen today from Battlecreek, Iowa. He has a white mark on his right side that looks like Texas and a spot in his blaze near his right eye. The dogs went crazy at 5:30 am and two of our horses were there but Pokey was gone. We've searched everywhere but can't find him. If you see any horse that looks like him anywhere, please contact us! He is a very loved member of our family. Print this flyer here: Page Link
